Work Experience

Truck Driver

UPS - Israel

March 2014 to July 2023

With over 10 years of experience in the transportation industry, I had the privilege of working as a short-haul and local truck driver at UPS Israel. During my tenure, I successfully managed local and long-distance transportation, often dealing with heavy, valuable, and oversize cargo, including medical equipment. I held the responsibility of loading and unloading cargo at the national airport, Ben Gurion, which further enriched my expertise in the field.

Truck Driver

Tnuva - Israel

February 2010 to February 2014

For 4 years I worked as a truck driver for the Tnuva company, transporting frozen food and meat, observing all temperature conditions and veterinarian checks
