**RE: COVID-19 – Temporary Validity Extension for Expired Ontario  
Driver, Vehicle and Carrier Products and Services**

---

**The following information is valid until June 1, 2020.**

As part of the Ministry of Transportation's efforts to stop the spread of COVID-19 and to help keep people safe, the ministry has extended the validity of the following driver, vehicle and carrier products, that expired on or after March 1, 2020:

- **Ontario commercial drivers' licences;**
- **International Registration Plan (IRP) Cab Cards;**
- **Ontario licence plate validation stickers;**
- **Online purchase receipts of validation stickers;**
- **Ontario Commercial Vehicle Operator Registration (CVOR) certificates;**
- **Annual and semi-annual inspections.**

The United States Federal Motor Carrier Safety Administration (FMCSA) has granted recognition of expired commercial licences issued by Canadian provinces, including extension of the validity date of medical examinations, certification and/or validity of the corresponding commercial driver's licences.

For any questions regarding the extension of these products, please call 416-235-4376. The complete list of Ontario driver, vehicle and carrier products impacted by this extension can be found here: <https://www.ontario.ca/page/extended-validation-periods>

Thank you for your assistance.

Regards,

Nosa Ero-Brown  
Assistant Deputy Minister (A)  
Road User Safety Division
